

WHAT IS PRIVATE DUTY NURSING?

Private duty nursing provides specialized, skilled nursing care for children and adults in their own homes. This type of care ensures that individuals with complex medical needs receive the attention and medical support they require to live safely and comfortably.

Our Skilled Services

1. Pediatric Care:

- **Who Needs It?** Children with chronic illnesses, disabilities, or recovering from surgery.
- **What We Do:** Our skilled nurses manage medical conditions, administer medications, perform treatments, and provide support to families.

2. Adult Care:

- **Who Needs It?** Adults with chronic conditions, disabilities, or those recovering from surgery.
- **What We Do:** Our nurses help with wound care, medication management, mobility assistance, and more to ensure optimal health and comfort at home.

Benefits of Private Duty Nursing

- **Personalized Care:** Tailored to meet each patient's unique needs.
- **24/7 Support:** Available around the clock to provide care whenever it's needed.
- **Comfort of Home:** Patients can stay in their familiar environment while receiving professional medical care.
- **Family Support:** We educate and support family members, helping them feel confident in managing their loved one's care.
